Hi Mark,

We're assisting one of our clients in researching an area in which your expertise could prove very useful. I'd like to invite you to participate in a paid, confidential, online survey with GLG.

You can participate by responding to the survey with the following button:

[Begin Survey](#)

For more detail, here's the full project description. You'll be entitled to compensation if you qualify and complete the survey.

Survey Title: E-commerce (Survey #547454) - November 2021

Anticipated time to Complete: 10 minutes

Compensation: \$65.00

Description:

The purpose of this survey is to get a better understanding of the E-Commerce landscape. With your background, we think you will be a great candidate on this project. Please note: This opportunity is not a GLG survey and is being hosted outside of GLG's traditional survey platform to support our client's research. If you accept the engagement, you acknowledge that you will be sent to the third party's survey platform via link to respond to the survey, but will return GLG's system for payment. Any information you provide through the survey will be collected and accessible by the survey vendor and the client, but not necessarily GLG. You further acknowledge that your participation in this survey is not subject to GLG's Privacy Policy. If at any time you believe you are being asked to provide responses that would violate the Terms & Conditions of Council Membership (e.g., conflict of interest, disclosure of confidential information, etc.) or you are asked to provide contact information or responses that otherwise would identify you, you should immediately discontinue participation in the survey and notify GLG.

If you do not wish to participate in this survey you may [decline](#) this invitation.

Thank you for your participation!

Rules for Survey Respondents:

By participating in this survey, you agree that you will not disclose any confidential, including material, non-public, information or any other information that you are otherwise prohibited from disclosing. You further agree to decline, or discontinue your participation in, any survey to the extent participating in the survey, or responding to any specific question, might cause you to violate any applicable law, your obligation to past or

present employers or other third parties, or and terms and conditions. Please err on the side of caution. To the extent you discontinue your participation in any survey in order to comply with your obligations, you may submit a payment request provided you promptly notify GLG.

Please do not complete this survey if you do not have the relevant expertise or if doing so would violate confidentiality obligations or create a conflict of interest. Intentionally completing surveys for which you do not have relevant expertise, or for which you have confidentiality obligations or conflicts, violates the Terms and Conditions of Network Membership and may result in your removal from the GLG Councils. ref: svi.3waEKZ
