Hello mark, hope all is well.

Just heard back from the client and they are going to move forward with scheduling you. Not sure if it will be during the Friday availability you had given, or next week just yet. My scheduling team will be reaching out with those details shortly, but I just wanted to let you know as soon as I heard back.

Thanks again for your time this morning and look forward to speaking with you again soon!

All the best,

Tom

Hi Tom, thanks for the rapid update. I like your cadence.

I've completed the onboarding, signed the agreement, and set my rate (\$750).
I see the status is "ACTIVE – You have accepted this project" in my dashboard.

I'll keep an eye out for an email from the scheduling team.

In the meantime, to get in gear before speaking with them, if you're free to remind me: besides Spotify, what were the other companies they've spoken with so far through GLG?

Pleasure chatting with you earlier today... a great first impression from the "network" side of GLG — thank you.

Mark

Hey Mark, appreciate the kind words and happy to hear you are having a good experience with us thus far.

Happy to share those other companies they have spoken with thus far, other than spotify they are legacy music partners, pandora and stem disentermedia.

Please do not hesitate to reach out with any other questions you might have. Look forward to getting you on the call soon!

All the best,

Tom
